## About Me

I am a motivated, reliable, and friendly person who is able to quickly master new concepts and skills.

I enjoy learning and am able to work well in a team environment or on my own.

## TOOL Kit

The tools above are the ones I am the most comfortable with. I am also proficient with other tools such as:

- Microsoft Suite
- Blender
- After Effects
- AutoCAD
- Fusion360

## Personal Projects

### PROJECT 01

Zine

- Small zine consisting of edits of my friends focusing on making them feeling empowered

## What I Like

- Photography
- 3D graphics
- Fashion
- Art
- People watching

## Education
